PROFILE

Passionate web developer with expertise in creating responsive, userfriendly websites using modern technologies. Skilled in both front-end and back-end development, committed to delivering high-quality solutions.

WORK EXPERIENCE

Sindhi Transcriber

Thoth AI (Remote) – Contract

Jul 2023 – Jan 2024

- Worked with a distributed team to transcribe audio content in Sindhi for a large-scale AI training project.
- Ensured accurate conversion of spoken Sindhi into written form, following linguistic and formatting standards.
- Contributed to improving language datasets for AI and speech recognition technologies.
- Maintained high levels of quality, consistency, and confidentiality throughout the 6-month project.

Web Developer Intern

Tekgen Technical Institute, Hyderabad

Jul 2024 – Sep 2024

- Developed and maintained responsive websites using HTML, CSS, and JavaScript.
- Collaborated with a team to design user-friendly layouts and improve UI/UX.
- Assisted in debugging and optimizing code for performance.
- Gained practical experience in front-end and back-end development.
